MATTIE.

The Henry Clay Literary Society held its last session for this year at the school house last Friday night. This literary has been one of the most successful ever held in this end of the State. The president of the society, Herbert H. Moore, as well as the other officers, convinced us that they thoroughly understand the management of a literary. Every program gotten up by this society has been a marked success. We hope that the teacher here next year will carry on this work as it has been for the last two years.

We are sorry to say that two new cases of typhoid fever have developed on this creek. The afflicted ones being Misses Mondane and Jane McKinster. The mother of these young ladies, Mrs. D. M.
